

The background of the slide features a large, stylized logo for 'Track Ties Racing'. The logo is circular with a purple outer ring containing the words 'TRACK TIES' at the top and 'RACING' at the bottom in a bold, sans-serif font. Inside the ring is a yellow wheel with a red rim and a black hubcap. The wheel is divided into four quadrants by a black cross. The top-left and bottom-right quadrants contain the numbers '20' and '24' respectively, in a bold, sans-serif font. The top-right and bottom-left quadrants contain a black and white checkered flag pattern. The entire logo is centered on a light blue background.

Drive Your Brand Further

Sponsor a race car and put your business in the spotlight

What we do

Track Ties is New Zealand's go to link between race car drivers and businesses looking for real brand exposure through motorsport.

We match brands with drivers based on a quick form you fill out, capturing your company values, goals, exposure preferences, and budget.

Every partnership is customised, from local promotions to national campaigns, all are designed to connect with your audience and maximise ROI.

Whether you're a small business or national brand, we make motorsport sponsorship simple, flexible, and results driven.

Why Motorsport Sponsorship?

Motorsport fans support the brands that support racing creating real long term brand loyalty.

Your brand gets seen at events nationwide, from Auckland to Invercargill.

Drivers become your ambassadors, representing your business on and off the track.

Your logo appears where it matters, on race cars, suits, helmets, trailers, and more.

Boost your digital presence through race day photos, reels, and social media content.

Reach a dedicated, engaged fanbase of thousands of motorsport enthusiasts across New Zealand.

The background of the slide features a large, semi-transparent watermark of the Track Ties logo. The logo is circular with the words "TRACK" and "TIES" in a bold, sans-serif font. Inside the circle, there are concentric arcs in purple, blue, and red, and a checkered pattern at the bottom.

How It Works

You set your sponsorship budget and tell us what suits your business preferences and marketing goals for sponsorship.

We'll send you a short form to gather your preferences, company values, and exposure goals.

We match you with drivers that align with your brand and offer strong promotional value within your budget.

You choose how the 15% Track Ties fee works — either added on top or deducted from your set amount.

We manage everything, from introductions and contracts to reporting, so you can stay focused on running your business.
